My dear Friend.

I so often see the initials L. K. W. attached to the articles in the Liberator that I fear you are still in feeble health. Do let me know how it is with you and with your dear ones?

If I am mistaken and you are well again — I am very desirous that you should give a lecture in our Anti Slavery Course, recently commenced. Rev A. D. Mayo gave the first — Hon J. R. Giddings the second — I am to give the third next Monday evening.
